General Manager's Message

Tony Farrugia

It is with a great deal of pride that we present the South Australian Soccer 1994 Year Book.

Now in its 33rd year of publication the year book is a much sought after almanac documenting in detail the history of the game in this State.

With the introduction of the Premier League the Year Book provides a detailed history of all our Premier League Clubs as well as the State league Clubs, Country Affiliates etc.

I am sure that the 1994 Year Book will be used to settle many arguments as it gives a detailed history of the winners and losers of the game since 1903.

The introduction of the **Premier League** is an exciting new concept to South Australian Soccer but quoting from President Mick Young in the Quit and Win Premier League profile booklet,

“the formation of the Premier League does not mean the creation of professional teams, nor does it mean a Soccer boom in South Australia, it's mission is to prepare a solid foundation for the preparation of players, who will one day represent our State at National Level and our Country in International competition.”

Quite clearly this sums up the formation of the Premier League.

As we move to the Year 2000 a higher profile has to be put on the State's participation at a

National and International level. With this in mind the Federation is currently negotiating to play four matches in Indonesia in June/July this year with return matches in 1995. This programme is sponsored by the Federal Government, through Australia Today – Indonesia '94 project.

Our efforts must also be concentrated through the re-development of the Hindmarsh Stadium for the Year 2000 Olympics. If Adelaide is to host a section of the Olympic Games (as we did with the World Youth Championship) the stadium must be upgraded to FIFA standards, that is, to provide a fully seated stadium catering for a minimum of 25,000 patrons.

Should this be achieved it will ensure that South Australia will not only host a section of the Olympic Games tournament, but also host major International matches at the Hindmarsh Stadium.

Finally, I can assure you all that the Federation will continue to do all in its power to promote Soccer in South Australia and continue to be a respected force in Australian Soccer.

TONY FARRUGIA
General Manager

CONGRATULATIONS . . .
to the South Australian Soccer
Federation on the establishment
of the new Premier League.

*The City of Hindmarsh and Woodville
. . . the City where people come to work, live & play.*

Chairman's Message

Charlie Caruso

It is with a great deal of pleasure that I welcome you to Season 1994, a year which will mark a new era in Soccer in South Australia.

The introduction of the Premier League, it is hoped, will provide a greater interest in our game at a community based level with Clubs promoting this community support throughout their local districts.

Already we have seen several changes in the structure of this competition. The introduction of nicknames in an effort to make Clubs identifiable for the younger age set as well as promoting an image for the Club on which to promote itself.

The aims of the Premier League are as follows:

1. A higher profile competition.
2. Better ground facilities.
3. Financial stability.
4. Attraction to Sponsors.
5. A better standard of competition.

With the support of several sponsors you will have seen several promotional tools in the promotion of the League, they include:

Production of a profile booklet.

A 1994 Premier League calendar.

In conjunction with Sponsor Dairy Vale, a two week milk carton promotion.

As well, steps have been taken to properly promote the League through all sections of the media and in this regard look out for the following:

Premier League Scores and Table each week on ADS Channel 10's Saturday news service as well, where time permits, on the NWS Channel 9's news service.

Extended coverage in all Messenger Newspapers.

District broadcast of one match with highlights of others on Radio 5EBI.

A Soccer Review programme each Saturday evening from 6.30 pm-7.00 pm on Radio 5RPH.

The final six matches of the home and away round will be televised from Hindmarsh Stadium by ADS Channel 10 and replayed on Monday or Tuesday evening.

The Top Four Series will again be televised by ADS Channel 10.

The decision of Clubs, upon the recommendation of the Commission that promotion/relegation be instituted as of the end of Season 1994 will not only create fierce competition within the Premier League but also within the State League level.

The State League, consisting of 10 Clubs is a vital part of the composition of the Federation.

The State League Clubs all aspire to one day become a Premier League Club and compete at the highest level. In this regard, the Federation during Season 1994 will spend time with State League Clubs in an effort to lift their profile in the same way that it has been achieved with the Premier League competition.

An important part of the Development of the Premier League is the immediate success of the State League Competition and the Commission is mindful that while the Premier League is the major competition conducted by the Federation it is mindful of the importance that the State League plays in the structure of Soccer in South Australia.

A change in structures of the Federation competition sees the Federation Cup now sponsored by Dairy Vale played as a pre-season competition and the traditional Ampol Cup now played as a Challenge Cup competition at the conclusion of the Premier and State League's Top Four/Five play offs.

On behalf of the Commission of the South Australian Soccer Federation, I wish each Club every success for the forthcoming season. To all players, officials and supporters we sincerely hope that you have many happy times playing, working and supporting your Club to victory.

Socceroos' World Cup Hopes Dashed in Buenos Aires

ALEX TOBIN

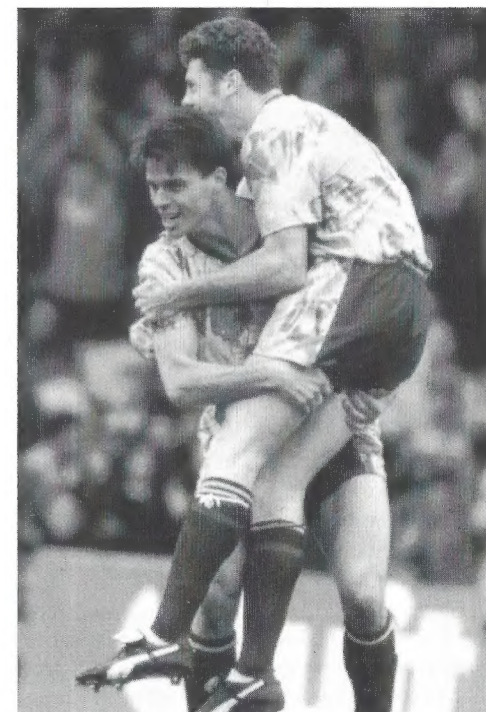

Soccer supporters from around Australia will soon be tuning in to world soccer's No. 1 spectacle – the *World Cup Finals*. When Argentina face their first hurdle in the qualifying rounds, many Australians will no doubt reflect on what might have been.

The dust has well and truly settled on our qualifying series against Argentina and the crucial second leg in Buenos Aires which was to decide the very last team in World Cup 1994. The result, of course, was not in our favour but there were many positive signs in our performances which should encourage support and growth for our sport in the future.

Firstly the image of Australian soccer was lifted both nationally and internationally. Success against New Zealand and Canada had previously seen great local support but the series against Argentina would be in front of a truly global audience. Maradona was making his comeback and a world power in soccer had arrived on our shores. With the world watching it was important that we performed, and we did, drawing 1:1 and perhaps being unlucky not to have earned a victory.

Argentina went home with the cushion of an away goal. They were also to play in front of a sellout River Plate Stadium where they had previously won the 1978 World Cup Final – a formidable venue when considering the passion of the South American soccer supporter. With all this in their favour the Argentinians were firm favourites but the support for our team never waned. Thousands of messages of encouragement were faxed to our hotel before the game and the players always felt that our country was behind us.

All soccer supporters know too well that the game, and qualification, was lost that night in

Jason van Blerk and Carl Veart

Buenos Aires. The team again played well but chances to score were harder to come by. After conceding a second half goal (which fortunately I do not have the space to describe) we pushed forward continuously but met a rock solid defence and could not score that elusive away goal. In hindsight we needed to have scored again in Sydney where we had created chances – but, despite the disappointment, the team and all those involved with it walked away with heads high.

'Bad Boy' is honored - Allan Crisp

Soccer's former 'bad boy' Tony Gasparetto was accorded the ultimate accolade for his reformed behaviour when he was named Foundation SA Player of the Year for 1993.

The brilliant Salisbury United midfielder won the State League's most coveted First Division award by two votes from Blue Eagles sweeper Paul Higgins.

Gasparetto polled 23 points, racking up six first preference votes, two second and one third to head Higgins, who notched six first, one second and one third vote to tally 21 points.

Experienced Modbury defender Richard Parsons was third with 16 points from Croydon striker Zeljko Popovic (14), while Birkalla's grand finalist skipper Les Matiscsak finished fifth with 12 votes.

The second division **Bob Telfer Medal** was won by Socceroo Youth Squad midfielder Richie Alagich of Port Lion.

Gasparetto, 25, previously recognised more for his volatile disposition than his superb natural talent, emerged last night as living proof that a leopard can change its spots.

In seasons past 'Gaspa' was a regular attendant at disciplinary committee hearings, earning lengthy suspensions which caused many coaches to turn prematurely grey.

His reputation as a firebrand raised claims that referees had him singled out as a marked man.

His career was in jeopardy when, as a 19-year-old, he was first red-carded during a league match against Hellas in 1987.

He was found guilty of attempting to strike a referee and was suspended until the end of the season - a virtual 14-game suspension.

That penalty was reduced on appeal to a five-match, suspended sentence.

But a gradual transformation emerged when the young gardener confirmed an outstanding 1992 season by scooping the Salisbury awards pool and finishing fourth in last year's Foundation SA Player of The Year award.

He bettered that form this season by making the central midfield role allocated to him by Berries coach Chris Manolev a match-winning domain.

A State player in every age group since his under-12 days, Gasparetto has received another prize for allowing self control to accompany ball control by being chosen in the South Australian team to play Victoria last October.

Gasparetto received his award, a magnificent crystal vase, at a glittering presentation evening at Glenelg's Ramada Grand Hotel. The award is decided by votes cast by referees on a 3-2-1 basis during the home-and-away league season.

Gasparetto is the first Salisbury player to be honoured since Paul Wilde captured the award for the Berries in 1990. A Salisbury club player for 11 seasons, he had a three-game stint with West Adelaide in the national league in the 1989-90 season.

Salisbury notched a unique double when coach Manolev was named Coach of the Year.

■ TOP FIVE SERIES by Allan Crisp

The skilled, quilled pen of Hans Christian Anderson could not have told a more fantastic fairy-tale ending than that of White City Woodville's 1993 season finale.

After 13 Foundation SA State League rounds Buggy Nyskohus and his beleaguered team was at rock bottom of the first division ladder.

But a Federation Cup final success over gallant Olympians turned the tide to fashion a resurgence which carried Woodville into fourth place and a crack at the \$55,000 Telecom Flexi-Plans Top Five Finals play-offs.

But the life-was-not-meant-to-be-easy escape route saw White City walk a mine-field campaign which carried it through two extra-time matches and a penalty shoot-out with minor champion Blue Eagles to reach the grand final.

However, the shot at SA soccer's holy grail against Birkalla had to be attempted without 1992 Player of The Year, Bradley Armour and Adelaide City loan player Michael Brooks, both victims of suspension after a hectic semi-final battle.

Vojislav Gluscevic emerged as the grand final scoring hero with goals in the 37th and 88th minutes to topple Birkalla 2-0.

But goalkeeper Denis Martinello was the true Alex Hastings Medal winner as Man of The Final with a superb display to deny the Camden Cavaliers their chance of finals glory.

Andrew Borghetto, more often the executioner during the home and away

Martinello brilliance 'keeps' out Birkalla

Bep DeVries (White City) and Les Matiscsak (West Torrens) brought together by Referee of the Year, Mike Ingham

games, was the supplier as Woodville completed its glitzy league and cup double.

Nyskohus, veteran of 300 national league appearances for Adelaide City, came off the bench for White City nine minutes from full-time to quell a

Birkalla bombardment that threatened to bring an equaliser before Woodville notched its insurance second goal.

As unbeaten minor round premier, Blue Eagles entered the finals arena with unparalleled credentials but Birkalla put paid to those Eagle aspirations with a 3-1 extra-time second semi-final win at Olympic Sports Field.

In the other semi, Woodville was stretched to 120 minutes of high voltage action before triumphing over

the considerable Salisbury United challenge.

HOWLETT GIVES APAC TITLE IN EXTRA TIME

Alby Kidd's Central District Apac collared the second division Top Five championship by downing Seaford 1-0 in an extra-time thriller.

Richard Howlett grabbed the winner in the 102nd minute after an electrifying run from inside his own half by Man-of-The-Match and Giulio Bailetti Winner, Con Kokkinoplitis.

■ AMPOL CUP REVIEW by Allan Crisp

Tsekinis lethal as Sharks take title

Ampol Cup records were shattered in 1993 when the West Adelaide Sharks swamped their opponents to snap up their 11th night series crown.

West coach, Raul Blanco, injected his effervescent South American Samba style into this the 35th competition to be backed by the Australian petroleum giant.

The end result for West was an amazing 25-goal tally from five games which included a whopping 8-0 semi-final win and a 7-0 grand final victory.

Ampol Cup fans shared the success with the Sharks, who sang a sweet September song filled with gregarious notes.

And it was a productive Springtime series with an incredible 74 goals netted in the 15 matches played.

Soccer supporters who have watched the Ampol series from its infancy would be saddened that the crowd-pleasing 1993 competition could be the last under the eight-team format.

Trophy-starved Adelaide Blue Eagles were West's grand final victim when Greg Brown boomed home four goals, a record tally, supported by strikes from Gus Cerro, Lemmy Vatsilas and Eddie Briscoe.

Perhaps the scintillating 7-0 scoreline should not have been unexpected because the Sharks shattered Adelaide CSC 8-0 in an unprecedented semi-final romp.

In that semi, Youth Soccerroo Jimmy Tsekinis earlier upstaged his experienced colleague by scoring five times to end the series as top scorer with eight goals.

The other semi-final was almost as productive with Blue Eagles eliminating Birkalla 5-2 as the goal-fever continued to rage. Adelaide City was a shock absentee from the finals, never fully being able to recover from its first round loss to Adelaide CSC.

The penalty kick shoot-out rule, introduced to bring a positive result after drawn games, was used only once when West and Birkalla finished

level on 1-1 and the Sharks snatched the match 7-6 on spot-kicks.

Ampol Cup results:

Blue Eagles 4 (A. Giannitto, Tyson, Harley, Karadzic), Modbury 0.

Adelaide CSC 2 (Jurkovic, Eyndhoven), Adelaide City 1 (Mori).

Salisbury United 3 (DePinto 2, Gasparetto), Birkalla 2 (Flaherty, Genikas).

West Adelaide 5 (Tsekinis, Lazaridis, Blair, Hooker, Cerro), White City Woodville 0.

Adelaide City 4 (Maxwell 2, Vidmar, Veart), Blue Eagles 3 (Karadzic, Harley, Tyson).

Adelaide CSC 6 (Anastasiou 2, Karapetis, Millar, Smith, Jurkovic), Modbury 0.

White City Woodville 5 (Hassell 3, Cerrachio, Gluscevic), Salisbury United 0.

West Adelaide 1 (Cerro), Birkalla 1 (Atsikbasis). West won 7-6 on penalties.

Adelaide City 5 (Mori 2, Maxwell, Vidmar, Melta), Modbury 1 (Parsons).

Birkalla 1 (Keegan), White City Woodville 0. Blue Eagles 3 (Karadzic 2, Nowak), Adelaide CSC 1 (Kekez).

West Adelaide 4 (Tsekinis 2, Brown, Kokkinoplitis), Salisbury United 0.

Semi-finals - West Adelaide 8 (Tsekinis 5, Vatsilas 2, Brazzale), Adelaide CSC 0.

• Blue Eagles 5 (Abraham 2, Harley, Tyson, Nowak), Birkalla 2 (Tarabar, Genikas).

Grand Final - West Adelaide 7 (Brown 4, Cerro, Vatsilas, Briscoe), Blue Eagles 0.

Kierno brings the Cup and pride back to S.A.

1993 will go down as the year SA regained its soccer pride by beating the Vics for the George Wallace Cup. The South Australian State Team Select upheld its reputation by defeating the Victoria State Select at Port Pirie by a whopping 4-0 after Adelaide City was unceremoniously dumped from the NSL final with a very dubious penalty.

Without qualification the credit must go to Jan Kierno and his team of players and staff. With team manager Carl Drosd, assistant coach Steven Baker, goalkeeper coach Charlie Horvath, and physio Graham Shields, this group organised and prepared the team to bring back the trophy after some 17 years.

However, it was not without some frustration over the availability of players. The absence of Tony Gasparetto, Andrew Borghetto and Bradley Armour did not give Jan and his team an easy road. However, the depth of talent available in South Australia is evident with the players that made the final squad.

The game (23rd October) at Port Pirie Savoy's home ground on a hot windy day was, in a nutshell, dominated from start to finish by South Australia. Captain Kevin McCormack was outstanding in midfield supported by Eddie Briscoe, Joe Cutillo (State debut) and Mark Abraham all of whom created havoc in the centre of the park. The defence was not generally troubled but when Victoria had the opportunities Don De Ieso, Ernie Luongo in their debut for the State Select along with Damien Harley, Brenton Hiern and keeper Denis Martinello repealed everything that came their way.

On the scoring side, all of South Australia's goals were clinically executed with the first, a magic Zoran Karadzic (State debut) cross

from the left for Theo Anastasiou to head home. With the scoring opened, South Australia poured on the pressure with Mark Abraham scoring the second before half-time. Theo Anastasiou scored again early in the second half to make it 3-0. It could have been many more if not for the feats of Jeff Olver, Victoria's former NSL and Australian keeper and on balance could be considered Victoria's best.

Zoran Karadzic continued to mesmerise the Victorians with his close skills and distribution providing many chances for Abraham, Anastasiou and Tyson (sub for Anastasiou). Towards the end of the game Bill Karapetis (State debut, sub for Karadzic) added one more spectacular goal while the Victorians, frustrated with their game, focussed on minor arguments with players and referees. Final score 4-0.

After the game the Northern Areas Association held a reception for players and officials at the Savoy Clubrooms and many thanks must go to Jim Lawrenson (Secretary), John Bellafemine (Liaison) and all the members of the Association who assisted on the day. It was pleasing to see the reception by the country fans to the game.

To conclude this report I place on record the Commission's appreciation to Jan Kierno, his coaching and playing staff. Sean Holden, Matt Cross from our administration for their

work in providing behind-the-scenes organisation and to our referees, John Papanicolas, Graham Parry and Tony Martel who officiated on the day.

The squad was:

Mark Abraham (24, Adelaide Blue Eagles), Theo Anastasiou (24, Adelaide CSC), Darien Bauer (23, Modbury), Eddie Briscoe (25, Seaford), Joe Cutillo (23, Adelaide Blue Eagles), Donato De Ieso (21, Adelaide Blue Eagles), Duane Gray (29, Adelaide Blue Eagles), Damien Harley (25, Adelaide Blue Eagles), Brenton Hiern (28, Campbelltown City), Alfie Ianniello (21, Enfield City),

Zoran Karadzic (30, Adelaide Blue Eagles), Bill Karapetis (22, Adelaide CSC), Ernie Luongo (24, Croydon PSC), Denis Martinello (24, White City Woodville), Kevin McCormack (29, W.T. Birkalla), Shane Porter (19, Croydon PSC), Paul Simmons (21, Salisbury United), Jeff Tyson (30, Adelaide Blue Eagles).

Our National teams bring the crowds back to Hindmarsh

By Allan Crisp

Adelaide City discovered to its dismay that the only task tougher than winning a Coca-Cola Soccer League title is to repeat the effort the following season.

The gallant Zebras went within a penalty kick of achieving the magical two-on-the-trot record but had to surrender the coveted 1992-93 national crown to a Marconi team which had not lost a single game in its home town of Sydney all summer.

Defeat is never palatable but when an entire season of effort distinegrates on a controversial penalty decision, the taste can be bitter.

There was further consternation when fires were lit under spectator seats during celebration of the Marconi goal, causing a delay in play that wrecked player concentration.

City's rocky Top Six finals road began with a 0-1 loss to West Adelaide at Adelaide Oval, a derby clash which attracted 7815 fans.

West's success followed four defeats at the hands and feet of the Zebras to spawn thoughts that the Sharks had at long last broken the derby jinx.

Jose Iriarte scored the winner for the Sharks but City avenged the defeat with a 2-1 elimination final victory at Football Park in front of 8306 supporters.

The aggregate score was 2-2 but the Zebras edged out arch-rival West on the away goals rule.

Steve Maxwell defied the odds by returning to the City run-on team to bag a brace of goals, while Brenton Hiern countered with a late goal for the Sharks.

West exited proudly, secure in the knowledge it had contested the finals in the first season of Raul Blanco's term as coach. City returned to Adelaide Oval determined to hit Wollongong for six, but was well satisfied to keep the wolves from the finals door with a 4-0 verdict.

Socceroo Carl Veart scored twice, while Damian Mori and big Maxie also troubled the Adelaide Oval scorers.

A preliminary final meeting with minor champion South Melbourne in Victoria failed to daunt City's resolve as the SA side won 3-1, courtesy of a Mori double and an early Sergio Melta strike.

Despite its failure to beat the Marconi mean machine, City returned from its second successive grand final excursion to Hindmarsh Stadium where thousands hailed their conquered heroes.

Adelaide City are now on the move!

After a sluggish start to the 1993/94 Coca-Cola National Soccer League (which is not really news to City's supporters), the Zebras are, at the time of going to print, in 5th position with a plus 19 goal average – which in a tight finish is worth a point.

In the wake of losing the 1992/93 Grand Final 1-0 to Marconi, City is in line for an excellent season.

Six Zebras were in the Socceroo squad which competed in the recent World Cup qualifiers: Robert Zabica, Tony Vidmar, Alex Tobin, Milan Ivanovic, Carl Veart and Damian Mori. All but Damian Mori played against Canada and Argentina.

We must realize and appreciate that the heavy commitment to International duties by City players brought about a heavy catch-up period – like true champions, City came through with flying colours.

New training facilities are under construction at the Zebra's training grounds in the East Parklands. When completed, all City teams will train at this magnificent complex – something to be proud of!

All South Australian soccer supporters can be assured that Adelaide City will be going for the 1993/94 title of 'Champions of Adelaide'.

Late Revival by City's Under 23s just fails

Adelaide City U/23 – 1993

The 1993 U/23 competition almost did not happen for Adelaide City, as the Summer Youth team disbanded at the end of the competition and went to the other State League sides. In one week coach Mario Danieli had to recruit a complete new team to field for the start of the season. Four new players were recruited and the remainder were promoted from the U/17 and U/15 from the previous season.

When City took the field for the start on 27th February, it had the youngest team in the

competition with an average age of 17½ years. It was anticipated that it would be kicked off the park with its inexperience and its dismal start with six straight losses.

However to everybody's surprise the young boys hit back and held their own and put some wins together. The team was admired for its courage and not shamed as was expected.

In the end it was a very successful season and were it not for some controversial refereeing decisions City would have played in the finals. The Zebras missed out by 1 point.

Adelaide City U/23 Team: Chris Bagnara, Anthony Best, Peter Costanzo, Daniel Damato, Anthony D'Ercole, Peter DiBartolomeo, Steve Giovaniello, Jason Lakatos, David Raponi, Daniel Rossetto, Frank Silvestri, Jim Zerella, Roy Zito, Paul Zollo.

West Adelaide over the past two years has become a powerful player in determining the outcome of the CCSL Championship.

Aims: (1) To become one of the successful Clubs in Australia; (2) To contribute towards the development of Australian soccer; (3) To establish close ties within the Australian society as a whole; (4) To establish close ties with clubs from overseas which will eliminate the cultural barriers.

Over the past two years the current committee of West Adelaide led by its President Mr Harry Zacharoyannis, has attempted to achieve the above aims.

Firstly, during the 1992/93 CCSL season, West Adelaide finished fifth and after an unsuccessful attempt against its arch-rival Adelaide City, failed to qualify for the quarter finals.

The Club over the past two years has shown a remarkable success as far as stability is concerned. Raul Blanco was originally appointed for two years as the Senior Coach and the Club has come to an agreement for the renewal of his contract for a further two years.

The administration of the Club has recognised the importance of the Club's influence to expand its relationship with the whole of the Australian society. It's a very important issue, and the Club has taken necessary steps through the mass media to establish those ties.

The administration has realised the importance of expanding its ties abroad by developing close relationships with overseas clubs. The recent visit of Malaysian Premier League Club Perak FA to Australia will hopefully contribute towards this goal.

After the Adelaide Blue Eagles 1992 Championship Title success and the strength of our supporting teams, 1993 promised to be a glorious year.

Throughout 1993 members and soccer supporters witnessed consistent displays of quality soccer from the three main Adelaide Blue Eagles teams.

Our State League side finished uncontested Minor Premiers, undefeated and 12 points clear of the runner-up. The ensuing Top 5 Playoff however was an unfortunate tale; with the team failing to capitalise on the many opportunities and was knocked out of contention in the Preliminary Final. The team made the Grand Final of the Ampol Cup, but was defeated by NSL premiership contender - West Adelaide.

Seven of our top players and coach (Jan Kierno) represented SA in 1993 and are to be congratulated on their performances.

Our Under 23s and Under 19s also took out the Minor Premierships in style, with the Under 19s winning the Grand Final in a superb effort.

ON THE FIELD: The 1994 Premier League side will be capably led by Zoran Karadzic.

OFF THE FIELD: June 1993 marked the beginning of excavations for the Marden Sports Complex. This complex will be the home of the Adelaide Blue Eagles and on target for the transition to the 'new ground' in 1995.

The complex will include comprehensive facilities such as members' bar and restaurant overlooking the pitch, a large function hall(s), corporate boxes, an administration area, poker machines, health and fitness areas (sauna/spa/weights/aerobics), plus extensive player facilities.

If you would like to know more about our plans for the future, please contact any of the Club officials. The Azzurri Sports Club Inc would like to sincerely thank all of its sponsors for their fantastic support throughout the 1993 season, and in particular Fairmont Homes, Emanuel Group, Direct Hardware, Maglieri Wines, La Lupa Cafe/Ristorante as well as the official SASF sponsors.

In what was a keenly contested First Division season in 1993 Adelaide CSC ultimately finished 5th losing the elimination final at Olympic's Sports Field.

For a club with an enviable honour board the push for the Top 5 in August was activated with the appointment of Jack Braidwood as Senior Coach taking over from Mike Kavalcenti mid-season.

After finishing runners-up in the 1992 Top Five Series, Adelaide CSC made some interesting acquisitions for season 1993. Former West Adelaide and WT Birkalla player, Bill Karapetis, and Peter Blazincic linked up with John Eyndhoven (Birkalla), Roger Biedenweg and Paul Smith who combined well to give Adelaide CSC a new look.

However it was Drazan Kekez who ended up being Player of the Year and the club's leading goalscorer in what was two tremendous achievements.

In 1994 we will be known as Adelaide Raiders on the field and certainly already there has been much interest in players wishing to play in what could be a very successful campaign.

At this point we wish to thank Tudor Pavers for outstanding support and our extremely hard working committee who have done everything possible to ensure that the off-field performances set up fine on-field performances. Congratulations must go to Theo Anastasiou who represented the State in Port Pirie when South Australia beat Victoria for the first time in 17 years to win the George Wallace Trophy.

For Campbelltown City Soccer Club 1993 was a successful year on and off the field, culminating with our promotion to the new 'Premier League'.

On the field we had a successful year with our Senior, Under 23s and Under 19s all finishing the season as Minor Premiers. The Senior Side, unfortunately, could not go on to win the play-offs, finishing third and the Under 23s finished runners-up. The Under 19s went on and won the Top 5 play-offs, also during the season winning the Bailetti Cup.

Off the field our proposals for extension to our club in the form of an Indoor Sporting Complex were accepted and work has now begun on them. This complex will be suitable for indoor soccer, netball, basketball and will enable our club to diversify and cater for all members of our community.

CROYDON

(formerly Croydon PSC)

TELEPHONE 340 2525 FAX 340 2526

1993 – A season that promised so much early yet produced so little later. Croydon has in the past been credited with a reputation for playing football with style and flair – sadly this was missing.

The appointment of Martyn Crook as senior coach brought with it a restructuring of the Croydon PSC team. The experience in defence of players like Ernie Luongo (who won the club's Best and Fairest Award), Robbie Bucco and Andy Papp-Horvath in goals, proved a reliable combination ably supported by our top goal scorer, Shane Porter. However, the loss of the promising and exciting young striker, Bradley Hassell, to White City and injuries to Peter Norman and Martin Goldschmidt in pre-season training severely damaged the club's preparation. To counter this, replacements were needed – Barry Crook from Para Hills and Zelko Popovic from White City were acquired, and promising young players Dino Minnillo, Mark Pamula, Damien Stam and Marc Woods produced early results with their refreshing enthusiasm.

The Junior Development programme which has produced an endless supply of young talent again received recognition with the introduction of another promising striker in Ben Sebastiano.

An otherwise poor season was given some sparkle by the Under 23 team which finished fourth in minor rounds and went on to win the play-offs. This team also performed well in the Bailetti Cup to emerge as runners-up.

The Under 19s, under coach Mick Doyle, completed their season on a high to finish runners-up to Salisbury United.

All at Croydon Park Soccer Club would like to thank its sponsors – Kolecki Foundations, Leabrook Plumbers and Direct Hardware Supplies – for their support throughout the year and we look forward to their continued support.

The 1994 Quit & Win Premier League will this season witness a much changed and vitalised Modbury Soccer Club. Many changes of personnel in both the coaching and playing ranks will ensure a breath of fresh air that will be reflected in the style and performance of players selected to don a Modbury shirt.

New First Team Coach Glenn Durrant has impressed players, administrators and supporters alike with his methods during pre-season work.

Glenn states that the enthusiasm amongst the players is on a real high, especially with the acquisition of two of the State's finest young players in Mark Yates and Duane Dobson from Para Hills, together with the return to the club of former Modbury players Paul Smith, Bryn Acton, Shane Golder and David Edwards.

With the advent of the Premier League this season, Modbury Soccer Club is on the verge of taking the Club up a cog or two in terms of spectator comfort and soccer entertainment.

Modbury may well be the surprise packet in this historic season of State Soccer. The First Team squad looks very versatile and well balanced with the Club experience of Bryan Edwards, Richard Parsons, Carl Whitehead and Neil Edwards sure to provide the stability to supplement the new signings and young players who had a taste of First Team football last year.

The disappointment of Modbury fans on finishing in sixth place the past three seasons and missing the Telecom Flexi-Plans Top Five Series should turn to joy this year with a top four berth.

COACH 1994: Glenn Durrant
 Age 38. Born Surrey, UK 18.3.55
 Arrived Australia 1970. 2 years Modbury before returning to the UK as a triallist with Ipswich Town. Played for Farnham Town (3 seasons)

During August 1992, at the SASF Grand Finals, some officials of the Port Adelaide Soccer Club and the USC Lion Soccer Club had a discussion regarding the future prospects of their individual clubs.

A fortnight later deputations from the management of each club held the initial meeting to discuss the prospect of an amalgamation.

The discussions proved to be fruitful and over the ensuing weeks the midnight oil was burnt on many occasions as the final details were framed and put into action.

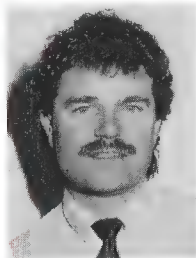

In mid-October and early November the proposal was put before the members of the individual clubs where the amalgamation proposal was accepted.

On November 15 1992 the Port Adelaide Lion Soccer Club was officially born at the inaugural AGM which was presided over by SASF Commissioner Mr Charlie Caruso.

The first season 1993, was reasonably successful with the Senior, U/23, U/19 and U/17 teams all playing in the SASF Finals Series, with varying degrees of success.

The U/17 team was outstanding, being unbeaten in their League, lost the second semi-final but came back with a vengeance to take out the Grand Final.

To all of our coaches, players, members and supporters we say thank you for the tremendous support in 1993, as we look forward to season 1994 and the Premier League, we look forward to the challenge.

1993 was a rebuilding year for the 'Berries'. Chris Manolev was appointed as Senior Coach, his first senior appointment following successes as a player and Junior Colts coach.

The emphasis was on youth, the future of the club and the game. Junior players were given the opportunity to fill the boots of senior players who had moved on to other clubs, and they grabbed the chance.

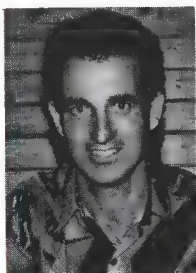

The 'risk' of combining a coach new to the ranks of Senior State League and young but dedicated players paid off with results far better than the critics ever thought possible.

The Senior team finished 3rd in the League over the Home & Away Season and 4th after the Top Five Competition. They were Cup Semi-finalists – losing to the eventual winners. The Under 23 team.

The Under 19 side, second after Home & Away were Cup and Top Five runners-up. The Under 17s were 3rd in the League and Cup Semi-finalists and the Under 14s were League runners-up and Cup winners. Very pleasing results when you consider the cream of these Youth sides were being moved upwards during the season. This highlights the depth of talented young players available.

At the Federation Foundation SA Presentation Night the Club was honoured by having Chris Manolev named Coach of the Year, Tony Gasparetto chosen Player of the Year and Trent Brotherton selected as Under 19 Player of the Year.

The policy of developing and promoting talented youth will be maintained in the 1994 season.

As we prepare for the changes – set within the structure of the Premier League in 1994, it must be with some feeling of *real* achievement.

In 1993 the club celebrated its 60th Anniversary – giving many the opportunity to indulge themselves in memories of those who forged the way to make the club what it is today.

Formed after a number of meetings held at the Hairdressing Salon of Jim Taylor Snr on Marion Road, Plympton, the foundation committee and players were drawn from the Ascot Park Soccer Club, the Plympton Juniors and the Glenelg Club. Raising funds, even then, was a problem – players *paid* three shillings a match, of which one shilling and sixpence was given to the referee, threepence to the Association Insurance Fund and the rest to the club.

The club has been at its present location since 1945 and through much endeavour built a solid reputation at all levels in South Australian soccer.

In 1979 Birkalla Rovers amalgamated with West Torrens Soccer Club to become West Torrens Birkalla and adopted the Blue and Gold colours, emerging – in terms of results – in the 1980s.

We are a club truly representative of the community. Many well known players have come through our Colts teams over the years, notably – Tony Dorigo (currently playing in the English First Division); current Adelaide City defender and Socceroo, Alex Tobin; Rab Jones and Terry Hayes (both recipients of the Rothman's Medal for the Best and Fairest in First Division; and Terry Welton, a West End medallist.

In 1994 – a new era, a new challenge!

C.D. Apac under the guidance of 1990 Foundation Player of the Year, Alby Kidd, turned a disappointing 1992 season when they came last in the Second Division, into a euphoric Premiership win.

Much of the credit can be attributed to the consistency of players of the like of Andy Thomson, Aaron Bray, Scott Wilson and Top Goalscorer Scott Darling.

Reliable Goalkeeper Andy Allen received the ultimate accolade in winning his club's Player of the Year Award.

Player/Coach Alby Kidd's experience and wiley know-how pushed an unheralded team into the 1993 Top Five Second Division Grand Final. The spirited clash with similarly unfancied rivals Seaford produce a tightly contested epic with Richard Howlett scoring the winner for Apac. Their win was capped with West Adelaide loan player Con Kokkinopolitis awarded the Guilo Bailetti Medal for Best Player in the Grand Final.

The entire club has benefitted from the input of Alby Kidd so much so that Apac defeated Campbelltown City 2-1 in the Grand Final of the Under 23's after coming from the elimination final.

Change of strip, logo, the new coach and some shrewd off-season recruiting should lead to a highly successful 1994 campaign.

Cumberland celebrated its 50th anniversary as a senior club in 1993 and is now looking forward to the next 50 years starting in 1994.

In October 1993 Cumberland held its 50th Anniversary Dinner with past players and officials from all eras of the club's history, and from all parts of Australia returning to the Club, in some cases for the first time in more than 30 years. One of the very special persons to return was Mr Les Edwards who was a member of the Club's original committee in 1943.

Cumberland has progressed steadily over the past 50 years and has a strong community involvement. Facilities have been upgraded on numerous occasions with the Club starting in bare paddocks in the 1940s to the present day facilities which include spacious changerooms, under cover area for spectators in winter, lounge bar, large hall and fully equipped kitchens which enable the facilities to be used and hired out for various purposes including weddings and special events.

The Club has had some reliable support over the years from numerous sponsors and 1993 was no different with strong sponsorship from A.R. Leane & Sons (Barry Leane), A.M. Crash (Alan Horsfall) and Le Grog.

On the playing side, 1993 saw the Club again rely heavily on younger players. The team played some very good soccer throughout the year but it was not able to sustain this over long periods of play and was obviously disappointing for coach Steve Parks.

Garth Thompson in his role as Captain was outstanding and obviously led by example as he was also the Club's Best Player for 1993.

Manager-Coach for 1994 David Leane and Senior Coach Grant Sweeney are preparing for the new season with strong emphasis on standardising coaching procedures at all levels throughout the Club.

1993 represented the first stage in a rebuilding process for Elizabeth City Soccer Club. The appointment of high profile coach Bob Wincer was a sign that the Club was serious in its bid to attain high standards. Although the team performed well on certain occasions and qualified for the Top Five series, a lack of consistency cost the team a chance of the top honours.

Top performers in the senior wide were captain Robert Knowles, midfielder Steve Cooney, and top goal scorer Justin Foster. Nineteen-year-old Frank Marron played consistently in the senior side all year and was rewarded with the Player's Player trophy (shared with Robert Knowles). At the Club's presentation evening, Steven Cooney deservedly received the Player of the Year trophy.

On the administration side, the Club achieved good results financially and is endeavouring to lift its profile among the community, and has secured sponsorship for the coming season with a number of sponsors, the major ones being Whirlpool and Collex (who are continuing the support granted in 1993).

The Club administration will look at the exercise of applying for Premier League status and the feedback given by the SASF as part of the process of planning for the future.

Notable additions to the Club's administration include the appointment of Peter Thompson as Promotion/Marketing Manager, and Harvey Foster as Junior Development Officer. Life Member Paul Mellon will resume as Club Chairman, continuing a long association of excellent service to the Club.

TELEPHONE 262 6622 FAX 262 6622

Enfield City – in the past few years enjoyed considerable success under senior coach Rocky Aloisi. With the formation of the Premier League Rocky could not resist the challenge and accepted the offer to lead Campbelltown. We thank Rocky for returning pride at Enfield and wish him well.

With changes also in administration, the club has found itself heading in a very positive direction. Under new chairman Fred Ellul, a very keen committee has worked hard during the off-season and appointed new coaches for all teams.

At the moment we feel blessed by the opportunity to appoint Nick Pantsaras as senior coach. Nick had good success with West Adelaide in both the State and National League.

With Nick's professionalism and enthusiasm, along with the aquisition of former National League player John Panagis, the players in all senior teams are responding very well in pre-season work and a feeling of confidence again surrounds the club.

Enfield, along with the Local Council and schools has also placed more importance in junior development, for which we expect to secure a better future.

With the very strong support from our major sponsors – AIR MALTA, CONCORDE TRAVEL and DISTINCTIVE HOMES – we look forward to the challenges ahead.

Good luck to all clubs, but look to the future and you will see – ENFIELD ON THE MOVE.

The 1994 season presents a challenging year for Noarlunga United. The season is viewed as one in which the club will field competitive sides in the Seniors, Under 23, Under 19 and Under 17 Federation competition. With the establishment of the Premier League in 1994, Noarlunga will concentrate on structuring a strong senior team comprising experience and youth.

Several young players will be given the opportunity to consolidate their positions within the senior team in preparation for promotion to the Premier League when promotion returns in season 1995. With a supportive youth policy guaranteeing specialised training and development for its youth players, Noarlunga United will cement its future as the strongest and most competitive club in the southern area.

IN MEMORY – In October 1993 Paul Wilde passed away following a long illness. For those of us who were privileged to know him we will miss him deeply.

Paul started his soccer career with Noarlunga United and was recognised as a young man with exceptional talent. Throughout his career Paul earned the respect and admiration of all who knew him.

His memory will remain forever with Noarlunga United as inspiration for the many who idolised him for his exceptional talent and personal strength.

OLYMPIANS (JOINED SASF 1989)

FRANKLIN STREET ADELAIDE SA 5000

The Olympians Soccer Club, formed in 1988 with the purpose of providing young people an opportunity to play soccer and better their capabilities, is the flagship of the Greek Orthodox community. Newly promoted with all the glory of winning with ease the Second Division title, Olympians proved to be a very worthy competitor in the First Division.

Eager to be competitive, Olympians recruited well and signed up George Konstandopoulos and Archie Christakos. Young Bill Misailidis joined the Club from Port Pirie and had an immediate impact as a replacement for Brett Pullen who joined West Adelaide. Bill Misailidis was a popular winner of the Club's Best and Fairest Award.

The inaugural Theo Raptopoulos Memorial Award was won by Jim Bouzalas. Jim is a long serving and valued Olympians player who has contributed to the Club both on and off the field.

Another late requisition to Olympians in 1993 was Bill Pantelis from Plympton.

On a sad note, the sudden passing away of young Olympian player Steve Georgiou during the off-season greatly saddened all who knew him.

Peking Royal Jelly, Marinos Food Distributors, Plaza Ceramics, Raine & Horne Project Management, Norwood Dry Cleaners and Travel 2000 are all proud and keen backers of the ambitious Olympians Club.

Para Hills Soccer Club started the 1993 season on a pleasing note and had some good results in our trial games with plenty of goals being scored. With the beginning of the 'real thing' we came down to earth with a thud losing 5-0 to the best team in the competition, Adelaide Blue Eagles, from then on we had some highs but many lows to finish bottom of the league. All be it on the same points as other teams, goal difference let us down.

With the advent of the Premier league and our non-inclusion, a great number of our first team players decided to transfer to other clubs – a development that disappointed the committee.

For the 1994 season we have enlisted the services of former Adelaide City and Australian representative Charlie Villani as our new Senior Coach. He will be ably assisted by Sam Miskelly, a former SASF Coaching Staff Member.

Our team for 1994 will be based on youth with the aim of building a team to win the league next year.

PLYMPTON (FORMED 1973)

G.P.O. BOX 935 ADELAIDE SOUTH AUSTRALIA 5001
TELEPHONE 268 1944 FAX 207 1909

Plympton, previously known as Adelaide Omonia Soccer Club will celebrate its 21st birthday in 1994.

After a disastrous year in 1993 the club is looking forward to the new year and we are confident that we will get better results.

Plympton has a very good working relationship with the West Torrens City Council and the Weigall Oval Trust and we are looking forward to working with them again in the new year.

The club has appointed Luke Kouzapa as its Senior Coaching Co-ordinator in 1994. Luke is very well known in the soccer fraternity having played for Polonia, Croatia, Enfield and for the South Australian State team.

The committee has already approached business concerns within the Plympton area to get as many sponsors as we can to complement our \$100.00 'Members Club' which was created last year.

The 'Miss Omonia' quest will be resurrected and one or even two girls' teams will join the ranks of the Women's Soccer Federation.

Taking this opportunity I would like to thank all our sponsors for their generous support during last year and I am looking forward to working with them in the future.

Congratulations must go to Con Georgiou for winning the best and fairest trophy for the Second Division Youth League – the Rab Jones Trophy. His big brother George Georgiou won the club's Senior Best and Fairest.

Our juniors are looking good with six teams joining the junior colts of the SASF.

SEAFORD (NICKNAME: SURFERS)

P.O. BOX 23 PORT NOARLUNGA SOUTH AUSTRALIA 5167
TELEPHONE 386 0172 FAX 386 0172

After last season's success of only losing three games all season and winning a place in the Grand Final (the best year in Seaford's short history) we now face the prospect of a season with no great competition. Senior coach Tam Lamont says he will have to readjust his management plans to overcome the huge disappointment to us and the southern area of not being accepted to the new Premier League. We must be positive and build on what we've achieved and strive for promotion for the 1995 season. If we are patient this will give us a chance to bring through the younger players and assess the playing strength of the youth in the Club, which looks very healthy with both the U19 and U23 teams winning places in the Top 5 finals last season. Troy Harris was top goal scorer in the U19 League with 17 goals and Rene Kristensen U23 League Player of the Year and Top Scorer with 15 goals.

It is imperative for Seaford to win promotion to give all the young players in the southern areas the chance to perform at the top level. Seaford started the 1993 season with a new concept for Seaford by having dual coaches, Dave Martin and Tam Lamont, in charge of the seniors and Under 23 teams, with Perry Nash in charge of the Under 19 team. This proved to be very successful as all teams performed excellently, the senior team going through the season undefeated at home. All three teams made it into the Top Five playoffs, with the seniors getting to the Grand Final, losing in extra time to APAC 1-0.

White City Woodville showed how fierce the competition was in 1993 when, with only three minor round games left for the season they were sitting second from bottom, and were able to finish fourth in the minor round.

With big things expected of them in 1993, knowing that 1992 was left with unfulfilled promises, many of the players shone, attracting interest from National League clubs, with White City's Bradley Hassell continuing his season in the NSL (with Adelaide City) with virtually no break from the State League.

For the players, the pressure was on, and they came through with flying colours. Many chances went begging, during the season, but when it counted, the last three games of the minor round, and Top 5 play-offs, the team managed eight victories on the trot, to leave the rest of the league in its wake, lamenting what might have been. The run home for White City Woodville was well supported by its vocal fans, with arguably the strongest attendances.

The team was well served by senior players such as Bep Devries and Zeljko Blagojevic, but also the youth and exuberance of players like Ricky Cerrachio and 1992 SASF Player of the Year Bradley Armour, and outstanding performances by Andrew Borghetto and Denis Martinello. On the whole, the team is to be congratulated on fine performances by all the players, and the linch-pin of the team, coach Bugsy Nyskohus.

The 1993 soccer season was one of the longest staged by the Western Border Soccer Association. A total 21 home and away matches and five Cup rounds and a Federation berth for the senior squad were played. A hectic junior competition with the W.B. competing in both State and Country competition.

The dominance of IAC Inter in past years came to an end. In a remarkable performance, the Croatia Soccer Club took out the Senior Premiership, the Javeds Cup and the Top 4 Cup. Croatia won 16 matches out of a possible 21, drew 4 and lost just one game. They kicked a total 105 goals and conceded just 21 for the year. Centrals and Apollo both featured in Cup Finals with Centrals competing in the Top 4 Final losing 0-3 to Croatia, and in the Javeds Cup Final Apollo struggled to beat Croatia even though Apollo had more shots than Croatia; they eventually lost 2-6.

(continued)

Western Border (continued)

Portland showed early form but faded away during the end of the season. Millicent had far too many drawn games to make any impact on the leader. IAC Inter had an indifferent year, but came home with a wet sail. Centrals always seem to be in with a chance, but the sudden loss of matches again stopped their push to the top. Both Blue Lake and Naracoorte struggled to find form, mainly due to numbers.

In the Federation Cup Round played on April 26 at Croatia Park, the Western Border side came up against a strong Birkalla side. It was the first competitive match for the locals, but despite going down 11-nil, the difference in the two sides was the lack of ball skills and fitness by the Border combination. This year all looks well for the W.B. side to be at full strength with the selection from all eight clubs within the Association.

The Best and Fairest awards in all grades went to:

A Grade: Tony Discianni (IAC Inter); runner-up Craig Harrison (Croatia)

B Grade: Brendon Galloway (Portland); runner-up Owen Mills (Croatia)

U/17: Adam Hodge (IAC Inter); runner-up Jamie Stephenson (Apollo)

U/14: Nathaniel Robbins (Croatia); Shane Opperman (Centrals)

Encouragement Awards went to - U/14: Anthony Davison (Blue Lake); U/17: Bret Rigney (IAC Inter).

Most Disciplined Club went to the Portland Soccer Club.

Season 1993 was expected to be a historic year for Northern Areas Soccer but it was to be historic in more ways than expected. The season was to culminate with a first ever Top Four play-off series, courtesy of a substantial sponsorship deal from Fairmont Homes. However before the season got under way Port Augusta withdrew its nomination due to a lack of players, and during round five of the League competition Port Pirie Hellas committed several indiscretions, which saw them expelled from the competition.

The second half of the season was reconstructed but the problems did not stop Port Pirie Savoy being crowned the first ever minor premiers and gain top spot in the play offs and that all important double chance. Savoy's arch-rivals Port Pirie Virtus gained second spot on the League ladder with Whyalla's Lions and Wanderers third and fourth respectively. Wanderers however had to beat reigning champions Croatia in the last game of the season to clinch the playoff spot.

The season started well with a round robin League Cup competition with the winner of the two groups playing off in a two-legged final on a home and away basis. The first leg was played at Byrne Park, Port Pirie, home of Virtus, with the home side taking on Lions. Virtus won the first leg 1-0 and wrapped up the final two weeks later at Jenkins Park with

an aggregate score of 3-1. In the Reserves Virtus also won the Reserves Trophy with a 1-0 aggregate win over Lions to complete a fine club double.

In the Association Knock Out Cup, Virtus reached the final and played Wanderers at Whyalla City Park. The game turned out to be a thriller with neither side being able to gain the ascendancy. Wanderers scored first but Virtus came back and equalised to take the game into extra time. In extra time the pace did not slacken but Wanderers snatched the Cup with a dramatic winning goal in the first period of extra time. In the Reserves Virtus also played Wanderers but the experienced Virtus side romped home by four goals to nil.

And so the scene was set for the first ever playoff series in Northern Area's history. In game one a single goal from Lions was enough to put them into the next round at the expense of Wanderers. Game two brought together minor premiers Savoy and arch-rivals Virtus. A first half goal put Virtus in front and when they scored again at the 75 minute mark they were in the box seat. However Savoy came back and grabbed a goal but it was not enough.

Virtus now went right into the Grand Final while Savoy lived to fight again against Lions in game three. In game three, at Savoy Park,

Lions took the lead inside the first ten minutes and when they scored a second before the half-time break it looked bleak for the minor premiers. However in the second half Savoy came back and managed to pull one back but it was not to be.

The Grand Final took place at Byrne Park, Port Pirie between Virtus and Lions. The playing surface was in first-class condition and with the largest crowd in attendance for a long time the scene was set for an excellent promotion of the world game, and what a promotion it turned out to be.

Lions scored first through Ronnie Clark. Virtus urged on by their huge support peppered the Lions' goal, but the Lions defence held firm until 15 minutes from the end with Stephen Pisani headed home a corner for the equaliser, sending the Virtus supporters into raptures. Could Virtus do it? A draw at 90 minutes would mean a replay next week. Virtus came again but with only

minutes left David Lambert took a pot shot at the Virtus goal and the ball trickled home to give Lions the game and the Top Four trophy. During the after-match speeches special mention was made of the manner in which Adelaide referee Mike Ingham and his linesmen controlled the game.

ASRF, SOUTH AUSTRALIAN DIVISION

South Australian
Division

The Australian Soccer Referees Federation, South Australian Division, is the parent body for all referees in this State, the Northern Territory and Broken Hill. With well over 200 active referees, the responsibility of maintaining the welfare and progress of all the men in black rests with this organisation. The Division has branches which are in Darwin, Broken Hill, Port Lincoln, Whyalla, Mount Gambier and locally Noarlunga, Elizabeth and the Amateurs.

The Division's members officiate in the SASF State League and Junior Colts. We also help out NASA by going to Port Pirie on Sundays. This year we will be doing the Women's League and continue with the Veterans and Collegiate Leagues.

The successes of last season were the development of younger referees with a number of cadets moving into senior soccer and running lines at high levels. Covering every Junior Colt game on a Sunday morning was also an achievement. The Referee of the Year went to Mike Ingham who had an outstanding season, ending the year by refereeing the Grand Final. Congratulations Mike, you are an example of what all referees aim for.

The relationship between the Division and the SASF is harmonious and further progress in recruitment and development of referees is of a high priority for the coming season. A Referees Development Officer is being sought. This is a joint project between the Division and the SASF.

With new faces amongst the Management Committee of the ASRF SA Division, the coming year presents challenges but also brings excitement as the game is undergoing changes in this State. Also with FIFA pushing for younger referees on

the world stage, the opportunity exists for young people to take up refereeing and progress rapidly to the ranks of National League and International standards.

In closing, on behalf of the Management, I wish all involved in soccer; administrators, coaches, players and referees, the best for the coming season.

Yours in sport,
Tony Spagnoletti,
Secretary

Alex Hastings

Alex Hastings, a former South Australian Soccer Federation president was acknowledged in the Queen's Birthday Honours with a British Empire Medal in 1981.

Mr Hastings began his involvement in local administration when he was made a State selector and coaching director in 1968. He was elected president in 1971, a position he held with distinction for five years. A man of great vision, he was an instigator of the formation of Australia's first national soccer league in 1977.

Born in 1912, he arrived in Adelaide in 1985 but the unobtrusive gentleman's past lay hidden for many years until it was discovered he was the great Alex Hastings, who once was described as, 'The best left half back in Great Britain'.

A Scottish international he captained English club Sunderland for 10 years, winning a first division championship and an FA Cup final medal. A veteran of over 400 league games, he was described by the legendary Sir Stanley Matthews as, 'The only opponent who ever put a scar on me'.

Len Alagich

'Mr Port Adelaide' has worked tirelessly for his beloved Port Adelaide Soccer Club (now Port Adelaide Lion) and Australian soccer for six decades.

He was Port chairman from 1961-1977 and served a second stint from 1982-1990 and was a board member of the

South Australian Soccer Federation. His forthright activities earned him life membership of both bodies.

Len and his brothers, Rudolph and Marin, have contributed 160 years of playing and administrative service to the code and provided talented progeny to continue the crusade.

South Australian Soccer identities remembered

On retiring as a player he became manager of Scottish first division club Kilmarnock.

A genuine, gentle giant of the game, Alex Hastings enriched the lives of all who were privileged to know him.

Perhaps the names of some of Alex Hastings' fellow internationals will stir a memory or two:

1936: Scotland 2 def. N. Ireland 0 at Tynecastle.

The team was: J. Jackson (Chelsea), A. Anderson (Hearts), G. Cummings (Partick Thistle), A. Massie (Hearts), J. Simpson (Rangers), A. Hastings (Sunderland), J. Delaney (Celtic), T. Walker (Hearts), M. Armstrong (Aberdeen), W. Mills (Aberdeen), D. Duncan (Derby).

1938: Scotland 1 drew with Northern Ireland 1 at Pittodrie.

The team was: J. Dawson (Rangers), A. Anderson (Hearts), G. Cummings (Aston Villa), D. McKenzie (Brentford), J. Simpson (Rangers), A. Hastings (Sunderland), J. Delaney (Celtic), T. Walker (Hearts), J. Smith (Rangers), R. McPhail (Rangers), R. Reid (Brentford).

Charlie Caruso

His stage has alternated between soccer pitches and board rooms for the past 20 years and soccer football is richer because of his endeavors.

A player with the Actil Club, he turned to administration to guide Adelaide City from the presidential chair for 17 years.

His forward thinking together with that of Alex Hastings, was largely responsible for the birth of an Australian National Soccer League in 1977.

Elected SASF chairman in 1990, he also is a Coca-Cola Soccer League executive and has been tour manager for several national teams.

PROFILES

Guilio Bailetti

A trailblazer in supporting South Australian soccer through sponsorship.

A partner in the family sporting and white goods firm of Bailetti and Sons in Hindley Street, he spread the soccer gospel by advertising on radio.

His brother, Cav Mario Bailetti, a former SASF president, had the Hindmarsh Stadium grandstand named in his honour.

Following Mario's death, Guilio Bailetti dutifully and expertly carried on the family service to soccer as a board member.

John Francis

Player of The Year award winner for Azzurri (now Blue Eagles) in 1984, John Francis was recognised as one of the most talented locally born players ever to grace our State League competition. He retired from playing in 1990 after a distinguished 15-year record term with the Eastern District club.

He led Azzurri to three State League championships, three PGH Federation Cup final triumphs, two Ampol Cup victories and two top four Coca-Cola Cup wins.

Throughout his outstanding career, the brilliant midfielder rejected several offers to join national league clubs to remain steadfastly loyal to his beloved Azzurri.

Rab Jones

Son of the legendary Harry Jones, the former Birkalla and Adelaide Juventus striker, Rab won fame as a superbly constructive midfield playmaker.

Winner of the Player of The Year award (then the West End Medal) in 1968, he was the first of eight players to win the coveted prize for White City Woodville.

Played for South Australia in the historic game against English club Everton before a sell-out crowd at Norwood Oval, but his most memorable representative match was in 1967, when he played for SA against the mighty Manchester United.

Bobby Charlton, George Best, Denis Law and Nobby Stiles graced the Olympic Sports Field that glorious day when Matt Busby's United downed SA 5-1.

After retiring, Jones coached Birkalla in 1986-87 and Noarlunga in 1990.

An ideas man, his vast experience as a player, coach and his infectious love of the sport, should be capitalised upon at the top level of administration.

OBITUARY

The Commissioners of the Federation offer their sincere condolences to all those friends who have suffered a bereavement during the past year.

In particular, the following:

Paul Wilde	Foundation SA Player of the Year 1990. Player with Noarlunga United, Salisbury United, W.T. Birkalla and Adelaide City.
Steve Georgiou	Player of the Olympians and West Adelaide Soccer Clubs.
Tom Caton	Former player with Cumberland S.C. Former State Junior.
Sam Papasavas	Commissioner Australian Soccer Federation.

MERITORIOUS SERVICE AWARD

SASF Award to Allan Crisp

To describe Allan Crisp as a doyen of Soccer is an understatement as he has given a lifetime to the game in the areas of playing, administration and media.

Allan was first introduced to the game of soccer in 1938 as a player with the North Adelaide Primary School. His career continued where he captained the team at the Nailsworth High School.

A player with the SA Railways Club, in the SA Soccer Association for approximately 15 years, Allan's passion and love for the game continued upon his retirement as a player.

His association with the Federation dates back to 1963 when he accepted the position of publicity officer, made public address announcements for the Federation, and served on the Disciplinary Committee. During this time he was also a State selector during John Linquist's term as State Coach.

His media involvement commenced on Radio 5AD with Tony Pilkington where they covered and previewed State league Matches. In 1961 Allan became the first commentator from any football

code in Australia to cover a match live through the medium of television. That was an Ampol Cup final between Adelaide Juventus and Croatia Adelaide.

Allan appeared regularly on Channel 7's World of Sport covering State League Soccer.

With the introduction of the Phillips National Soccer League in 1977, Allan was commentator of live broadcasts through Radio 5DN.

He commenced as a full-time journalist with *The Advertiser* in September 1977, a position he has held until his recent retirement last month. Despite this retirement, Allan continues to hold the position of the Soccer Journalist with *The Advertiser*.

Allan's involvement in Soccer continued with the introduction of Radio 5RPH's broadcasts of National and State League matches together with Channel 10's coverage of the State League's Top Five Series.

A highly respected soccer man the Commission is pleased to nominate him to clubs to receive the Meritorious Service Award.

Coaching and Development

Carlos Buzzetti

What a fantastic year for soccer!

With all the Australian teams performing so well at all levels, soccer became the boom sport in South Australia. Players of the calibre of Paul Agostino, Jim Tsekinis and Richie Alagich became instant heroes with the young children. At senior level the likes of Robert Zabica, Alex Tobin, Tony Vidmar, Milan Ivanovic, Carl Veart, Stan Lazaridis created a fantastic interest at primary and secondary schools. Our congratulations to Paul Lopic for his outstanding performance during the U17 World Cup in Japan. The promotion of soccer was well instrumented and put in practice with great success.

JUNIOR SPORTS POLICY

I would like to remind all the Districts and Associations that the Department of Sports and Recreation Policy, regarding young children is still in place and it is imperative that everyone follows this policy. I would like to also congratulate all the districts and associations for their efforts during the year, in the organisation of development clinics in their own areas.

SCHOOL SOCCER CLINICS

The increase in participation in soccer by primary school children (boys and girls) proved once more that the programme and visits to the schools are a complete success. This year we have had a record number of visits to schools (127) and most of the success is due to the organisation of our development officers and the players/coaches who conducted these clinics.

Each school was serviced for half a day or a full day on request and clinics were conducted on a minimum of three visits.

DEVELOPMENT SQUADS

During 1993/94 the SASF will have various Development Squads working under special programmes with highly qualified coaches in charge. Under 12, 13, 14, 15, 17 Development Squads will commence their programmes during November and will continue the job during 1994. An Elite Squad (ITC), a new National Project involving the SASF, ASF, SASI and the Australian Sport Commission was accepted by the clubs and a temporary squad will work together until February 1, 1994 when 18 players will be offered a one year scholarship.

PLAYER INSTRUCTORS

Many players from National and State League clubs assisted the development officers during the year at clinics and promotions.

Our thanks are extended to all those who assisted particularly SASF instructors: John Evans, Sam Miskelly, John Van Der Veken, Carlos Buzzetti Jnr, Zoran Maricic and Barry Simpson.

FOUNDATION SA (Centres of Coaching)

Foundation SA Centres of Coaching were conducted in country areas during School Holidays at Western Border (Mt Gambier), Whyalla, Port Lincoln, Riverland, Broken Hill, with great success.

In the city area, Elizabeth Districts, Southern, North/West, Adelaide Hills, conducted these centres with many participants attending during the week sessions.

New talents have been monitored during these clinics and some of them were invited to participate in the development squads.

Around 600 players have been involved during this year's programme. Opportunities for players in the city and country areas to develop their ability, technique and skills were created with Foundation SA's sponsorship for these 'Centres of Coaching'.

STATE CHAMPIONSHIPS

1993 State Championships were conducted at Elizabeth and Districts grounds.

All the affiliated Districts and Associations were represented at different levels from Under 11 to Under 15.

The championships were well organised, with plenty of grounds available during the weekend.

Many thousands of people attended during the weekend, watching or supporting various teams, creating a fantastic atmosphere for the players. Congratulations must go to the Elizabeth and Districts Junior Soccer Association. Selection was made for future development squads by SASF instructors.

COUNTRY CHAMPIONSHIPS

This year championships were conducted at Broken Hill. The Broken Hill Soccer Association headquarters is a complex which contains two full grounds with lights and two other grounds were marked on the other side of the complex.

Facilities were provided to all the teams and the championships were very well organised.

Congratulations to the Broken Hill Soccer Association for a job well done. Selection was made for future development squads by SASF instructors.

SAPSASA CHAMPIONSHIPS

This competition was conducted at the University, West Beach Grounds with great success.

City and country areas were represented, with over 500 players participating during the week.

At the completion of the championships, development squads were chosen.

ITC ELITE SQUAD

The Australian Sports Commission provided funds to form (ITC squads) in all the States.

Each Federation in conjunction with the Australian Sports Commission, ASF and the South Australian

Sports Institute will form a squad which will include future prospects in Australian players in the age group of 14, 15, 16 and 17 years old.

This squad will commence on a full-time basis on 1 February 1994. A full-time coach will be appointed in the near future.

YEAR 7 SPORTS CAMP

This year forty-four players were invited to participate for a week camp at the Police Academy.

Selection was made from State and Country championships, SAPSASA championships, and other competitions.

A panel of seven instructors were available full-time, as well as lecturers from the Division of Recreation, Sport and Racing.

Thirty-six players were selected from the camp to be part of the final Under 12 Development Squad.

COACHING CENTRES

The SASF conducted many coaching courses during 1993 with a lot of interest shown by many people:

- Level 0 - 6 courses
- Level 1 - 18 courses
- Level 2 - 2 courses (practical and theory)
- Level 3 - 1 course (residential at the Police Academy)

More than 350 participants attended these courses. They were conducted in the city and country areas. Under the new rules of the ACC (Australian Coaching Council) and the SASF and ASF all coaches in Australia must be qualified, registered in Canberra (ACC) and SASF and licensed. Also coaches will be updated from January 1994 to reach the points required for the next four years to be recognised as a registered coach.

ROO BALL

The name of Roo Ball has been accepted by all the Districts and Associations for publicity purposes. South Australia was playing modified rules for many years, therefore the name Roo Ball was introduced as a promotion of the game.

West Adelaide last year promoted Roo Ball during half time at the Coca-Cola National League home games with great success and we expect this year both National League Clubs to promote Roo Ball.

PROMOTION

Due to the fantastic success of the Socceroos, Olympic Team, Youth Team and the Joeys and to the acceptance and requirement from the school towards our school programmes, promotional materials were required this year in large quantities. Posters and stickers provided by the ASF were distributed in all the schools and promotional days at shopping centres, children's hospitals, etc.

COACHING COURSES/SEMINAR (National/International Level)

Seminars were conducted at National level in Canberra and Sydney and a FIFA International advanced course was conducted in Brisbane, the following day after the World Youth Cup finished.

Eric Rutemola, a highly qualified German coach was nominated by FIFA to conduct the course.

WOMEN'S SOCCER ASSOCIATION

The Women's Soccer Association will come under the umbrella of the SASF from January 1994 and a Women's Development Officer will be working from the SASF from the beginning of 1994.

Many new girls' teams have been formed in many schools and the increase in popularity is fantastic.

Finally I would like to thank the Commissioners of the SASF for the fantastic support given to me personally and to all our programmes.

To all the clubs for their support and communication with this office and the State and Development Squads and to all the players from National League and State League and the SASF instructors for the first class job done representing the SASF.

■ SOUTH AMERICAN TRIP – ARGENTINA and BRAZIL

To experience the passion of the moment . . . *Carlos Buzzetti*

Australian vs Argentina – World Cup Qualifier – in Argentina. What an experience – to be part of the delegation and live that special moment . . . inside the ground only to face the disappointment of succumbing to a rather fortuitous result which favoured the high profile locals.

In review we should be proud of those who represented Australia – players and officials – they have now firmly placed us as a nation to be reckoned with on the International scene.

Brazil – Rio De Janiero

By invitation I attended the Brazilian Football Academy to participate in the Brazilian Advanced Coaching Course for overseas coaches.

Although the non-arrival of 14 Kenyan coaches reduced the number of participants, the standard of the course was very high. Professor Julio Cesar

DEVELOPMENT REPORT FOR 1993/94

Already it has been one year since the SASF, West Adelaide and Adelaide City joined forces to promote the game of soccer. We have increased the development staff three-fold, so has the demand increased, which is a great sign that the future of our game is secure. We need to maintain the effort in order to maintain growth.

The response from the primary schools, that we make ourselves available to, has been tremendous. Not only are myself and Charley Villani kept busy but at times we have to employ outside coaches to take on the workload and it is to their credit also that we receive letters of commendation for those coaches we have to employ from time to time.

We have endeavoured over the past year to promote the game in various shopping

centres, eg Rundle Mall, Arndale, West Lakes, Tea Tree Plaza, etc. and have had a great response from the general public. We have also tried to help the needy where possible by paying visits to the Children's Hospital, Ronald McDonald House, etc. This is a part of the job that I find most rewarding and helps remind us how lucky we are just to be able to play this great game of ours.

We look forward to a bigger and better year this coming year and hope one can develop this game into a sport that gives opportunity and a great lifestyle to our up and coming soccer stars. Let's encourage the kids, they are the future of the game.

Leal, the Brazilian World Youth Cup champion coach was in charge with the assistance of Professor Everaldo, the Brazil Youth coach for the next World Cup, and Professor Jovelson, Director-General of the Academy, Professor Dr M. Esperim Neto also conducted some sessions.

Practical sessions were conducted at the Academy grounds and theory sessions at the hotel meeting room.

We visited training sessions and friendly games at different clubs, CR Flamengo, CR Fluminense, CR Vasco Da Gama.

I had the opportunity to see games for the Brazilian National League Finals at the great monument of football: Mararana; Flamengo – Santos; Flamengo

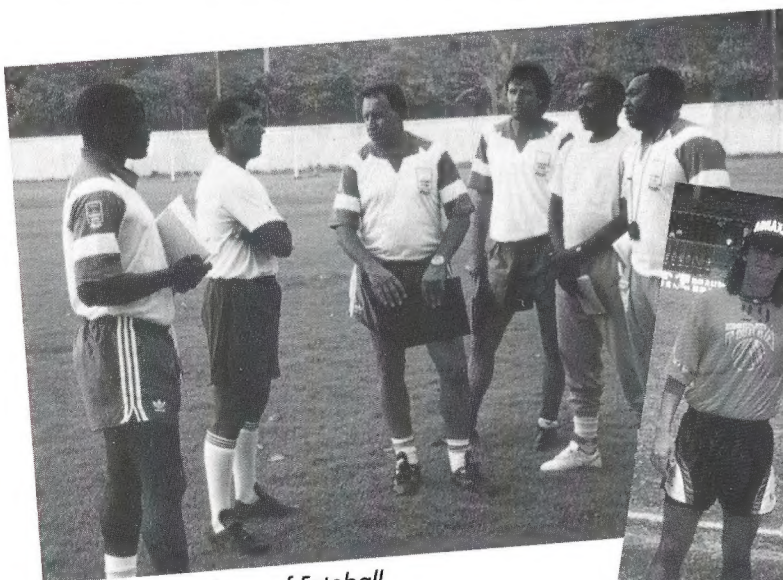

– Corinthians; Flamengo – Victoria.

Football in Brazil is a passion and everyday life. Information about the game is incredible: Newspapers, Magazines, Radio and TV. If this was not enough, football on the beach is a fantastic success, Copacabana beach alone has ten football grounds and all the beaches are illuminated by columns with lights every 100 metres which allow night games to play until late hours.

I will recommend to any coach that wishes to attend the Academy that the course is very good value for money.

Finally, the opportunity to see such skilfull and talented players at training and in games, and see them personally, was the icing on the cake.

JUNIORS AND JUNIOR DEVELOPMENT

During the past 12 months I have had the opportunity to experience first hand the attitudes of all SASF clubs towards junior soccer in general.

I have attended meetings with the Junior Colts Executive Committee and club delegates as well as attending individual clubs for interviews relative to the State-wide junior review. Additionally, I interviewed club senior delegates to junior development in the course of Premier League assessment. To say that I am amazed with the overall results is an understatement.

Attitudes of clubs towards juniors range from having fully documented junior development policies covering the responsibilities of all involved including parents and players alike to some clubs who simply pay lip service to junior soccer by just fielding junior teams because they have to.

Our future senior players are today's juniors and those clubs that are investing in the future by having properly documented and implemented junior policies will be the survivors.

Having said that though it should be noted that junior development does not consist totally of fielding teams. So much can be achieved off the field by being involved with the local schools and/or district competition. Unfortunately though in some cases the prevailing attitudes would suggest this is more easily said than achieved. A considerable amount of work needs to be done with the various parties sitting together to achieve this objective.

During 1993 the District Associations successfully held their annual State and Country Championships at Elizabeth and Broken Hill respectively. The standard of play and administration were exceptionally high and all involved are to be congratulated.

At the time of going to print my final report on Junior Soccer has not been released owing to the work load of the Commission. However a draft has been provided to all concerned and useful feedback obtained. As a result of this feedback changes have been made to the report and I think it will be accepted by all participants.

I would like to take this opportunity of publicly thanking all those who participated with input and suggestions, and in particular Mr Rodger King who assisted me in compiling the final report.

The most exciting item which is about to occur is the setting up of the Intensive Training Centre in conjunction with SASI. This is a completely new concept and will most certainly be a stepping stone for further SA junior international players. I urge all involved in soccer in SA to fully support this concept.

Bryan Hearn,
Commissioner,

■ UNDER 20 STATE SCHOOLBOYS' CHAMPIONSHIPS

Darwin, August 22-27, 1993

A blend of youth and experience did SA proud when displaying their soccer skills at the National Championships in the Top End. Although the competition was fierce and the weather energy-sapping our boys played some skilful and most entertaining soccer throughout the week defeating all sides except NSW. However, to the boys' credit, we did finish the week on the same points as NSW but lost out on goal difference.

The depth of talent and commitment in the squad was highlighted by the fact that four players were selected in the Australian schoolboys' team to tour Hong Kong, Taiwan and China in early January, 1994. These included Chris Groom, Steve De Giovanniello, Joe

tour proved to be a valuable social, educational and sporting experience for all concerned. The team was very popular with the locals and performed admirably winning five of the six games played. South Australia's representatives were a positive contributing factor to the success of the tour. Whilst Chris Groom and Steve De Giovanniello held the midfield together, Joe Berlingeri made his presence felt in attack with four well taken goals and Daniel Bieze played a positive role in goals.

PA HEALTH BENEFITS FUND FOR ALL

The PA Health Benefits Fund is over 18 months old in SA, with more than 2500 PA members already taking advantage of the large savings.

Members' ability to transfer their existing health cover with no loss of entitlements to another registered Health Fund, within 7 days of their financial date is guaranteed under the National Health Act. The Fund gives members peace of mind and added security for unforeseen health requirements. It provides its members with 365 days a year hospital cover where most health funds reduce private hospital accommodation cover after 14 days (basic table excluded), this could lead to a considerable funding gap for extended or prolonged hospital stays.

PA Health South Australian Office Manager Mr John Corletto believes excellent service is very important and is what members look for in a Health Fund. This is one big advantage PA has over the larger funds.
